

Basin Faucet 6777-90-80CP

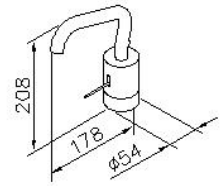

INTRODUCTION:

The seed is the fountainhead of all the creation, but not all of seeds will be lucky to sprout and then grow up, so each budding seed is the symbol of hope and happiness. The spout of "Lucky Seven" Series Faucet looks like the growing stalk and the curved shape is like the lucky numeral-7; flowing water looks like the passing petals, both of them remind us to treasure the precious water resource. "Lucky Seven" series faucet could not only decorate the living space, but also bring good luck and create hopes for people to collect happiness.

DESCRIPTION:

1. Spout can be rotated for 360 degrees and adjusted slightly for different needs. Swiveling spout has passed up to 50,000 turns test).
