

Robe Hook 6903-50-80CP

INTRODUCTION:

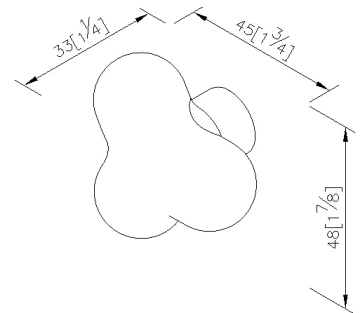

The design team of the STORY Series hopes to return to the original starting point, and try to seek for the original beauty. This is the reason why the STORY Series is introduced.

This classic hook follows the admirable classic cloud-shaped handle of the faucet. It also adopts the combination of ceramic and copper materials to subvert the previous rigidity of bathroom accessories, and pairs with colorful colors, and create another impression of gentleness and cuteness.

DESCRIPTION:

1. Delicate appearance is without extra joints.
2. Porcelain handles made by high pressure molding is against UV and color fading.
3. Maximum loading: 10kgs.
4. Brass with Chrome plated finish meets ASTM-SC2 standard.

unit: mm[inch]
